Garden of Remembrance Memorial Center & Chapel Dedication Opportunities

Twenty-six years ago, the Jewish community began to plan an inclusive Jewish cemetery in the Washington Metropolitan area, serving all branches of Judaism and reflecting and honoring the full range of our practices and traditions. We dreamed of a special place - tranquil and green, in harmony with nature, inspiring healing and compassion. We imagined a place to find solace, to remember loved ones, and to celebrate life. And part of that place would be a memorial chapel for services, spiritual fulfillment, and fellowship.

Today, the dream is almost complete and the place we imagined -- the Garden of Remembrance Memorial Park -- has become an integral part of the fabric of the Washington area Jewish community. Twenty-six years after we began to dream, we celebrate what we have accomplished and look forward to building the final piece of our vision -- the Garden of Remembrance Memorial Center & Chapel.

We invite your help to build the Memorial Center & Chapel within our sacred grounds. Now is the time to participate and lead the way in finalizing this very important part of the Garden of Remembrance to build a legacy of compassionate care and service – a special way for our friends in the community to honor the lives of those dearest to them. As we begin to break ground on the Memorial Center & Chapel, we are a few generous gifts away from complete funding. Several naming opportunities are available to permanently link your family’s name with this important and needed addition to Garden of Remembrance Memorial Park and the Washington Jewish Community.
