"...and Abraham purchased a final resting place for his beloved, Sarah, which became a family resting place for our ancestors..."

Dedication of a Memorial Park Bench Honors Your Loved One and Supports our Nonprofit Memorial Park

The Garden of Remembrance Gan Zikaron Memorial Park is inviting its families and friends to support our nonprofit memorial park by dedicating a memorial bench in memory of a loved one within our sacred grounds.

Strategically located throughout the Garden of Remembrance Memorial Park, numerous community benches have been placed for family and friends to use when visiting loved ones. These permanent gray granite benches help us fulfill our mission of comforting the bereaved and serving the community.

As part of our goal of building a sustaining memorial park for generations to come, we invite our families and friends to honor loved ones and provide meaningful support by dedicating a community memorial bench. Each dedicated bench is set in a predetermined permanent location and will include a personalized inscription.

New Garden of Remembrance Memorial Center & Chapel – Scheduled Fall 2022

Memorial Park Bench dedications are available for a \$5,000 contribution and will be personalized and inscribed (up to 75 letters)*. Contributions will assist in the building of the Garden of Remembrance Memorial Center & Chapel expected to open in Summer 2022. Additional Dedication Opportunities within the Memorial Chapel and Memorial Park are available. For participation and information, please contact Glenn Easton at the Garden of Remembrance at 301-428-3000 or GEaston@gardenofremembrance.org.

*Cost is based on current bench location. Some benches may be relocated at an additional cost of \$300. Additional letters are \$15 per character.
